Scheeser Buckley Mayfield has developed successful and longstanding partnerships with over 30 higher education clients, the majority of which are repeat customers. We have completed over 500 projects in more than 60 years of service to universities and colleges, primarily throughout Ohio and West Virginia.

## ► Project Scopes

Our higher education projects cover a vast range, from small renovations to multi-million-dollar highly specialized new constructions. Projects include:

Athletic Centers	Historic Preservation	Specialized Labs/Research Facilities
Classrooms	Maker Spaces	Theaters/Auditoriums
Central Plants/Equipment	Master Planning	Vocational Schools
Dining Halls	On-Call Services/Emergency Projects	Wellness Centers
Food Courts	Parking Garages/Lots	Utilities/Infrastructure Planning
Green Spaces/Plazas	Residence Halls/Apartments	

Our engineers are well versed in the challenges inherent to higher education work. These include understanding the schedule implications of academic calendars and the additional safety and planning required when working on occupied campuses.

## ► Clients

SBM has experience with scores of higher education clients in Ohio, West Virginia, and neighboring states, including:

Blue Ridge Community College	Kent State University	Ohio University
Bowling Green State University	Lakeland Community College	Stark State College
Case Western Reserve University	Marietta College	The University of Akron
Cleveland State University	Marshall University	Ursuline College
College of Wooster	Muskingum University	West Virginia School of Osteopathic Medicine
Columbus State Community College	Northeast Ohio Medical University	West Virginia State University
Concord University	Oberlin College	Walsh University
Cuyahoga Community College	The Ohio State University	Youngstown State University

## ► Next Steps

Our extensive client list and wide scope of projects reflect the depth of our higher education experience. We would love to talk to you about your upcoming projects and future planning needs. Together, we can form a partnership to allow your growth and maintenance goals to be met.
